MAXIMA BD38 CONSOLE

**LAURAMERONI**  
design . collection

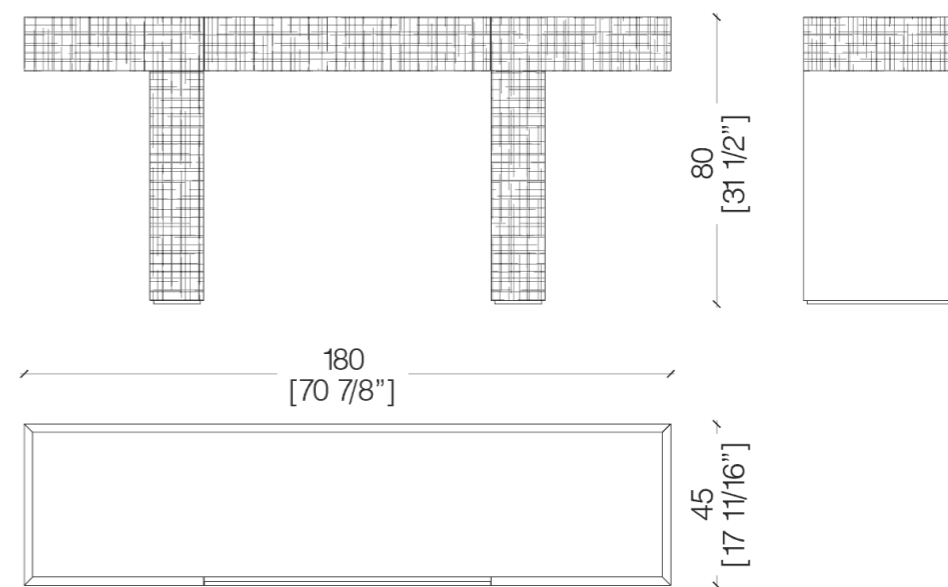

Wooden console with carved top front, back and lateral sides and carved wood legs only on front and back. Equipped with one drawer. This sideboard can be made in all woods of the collection and in special dimensions.

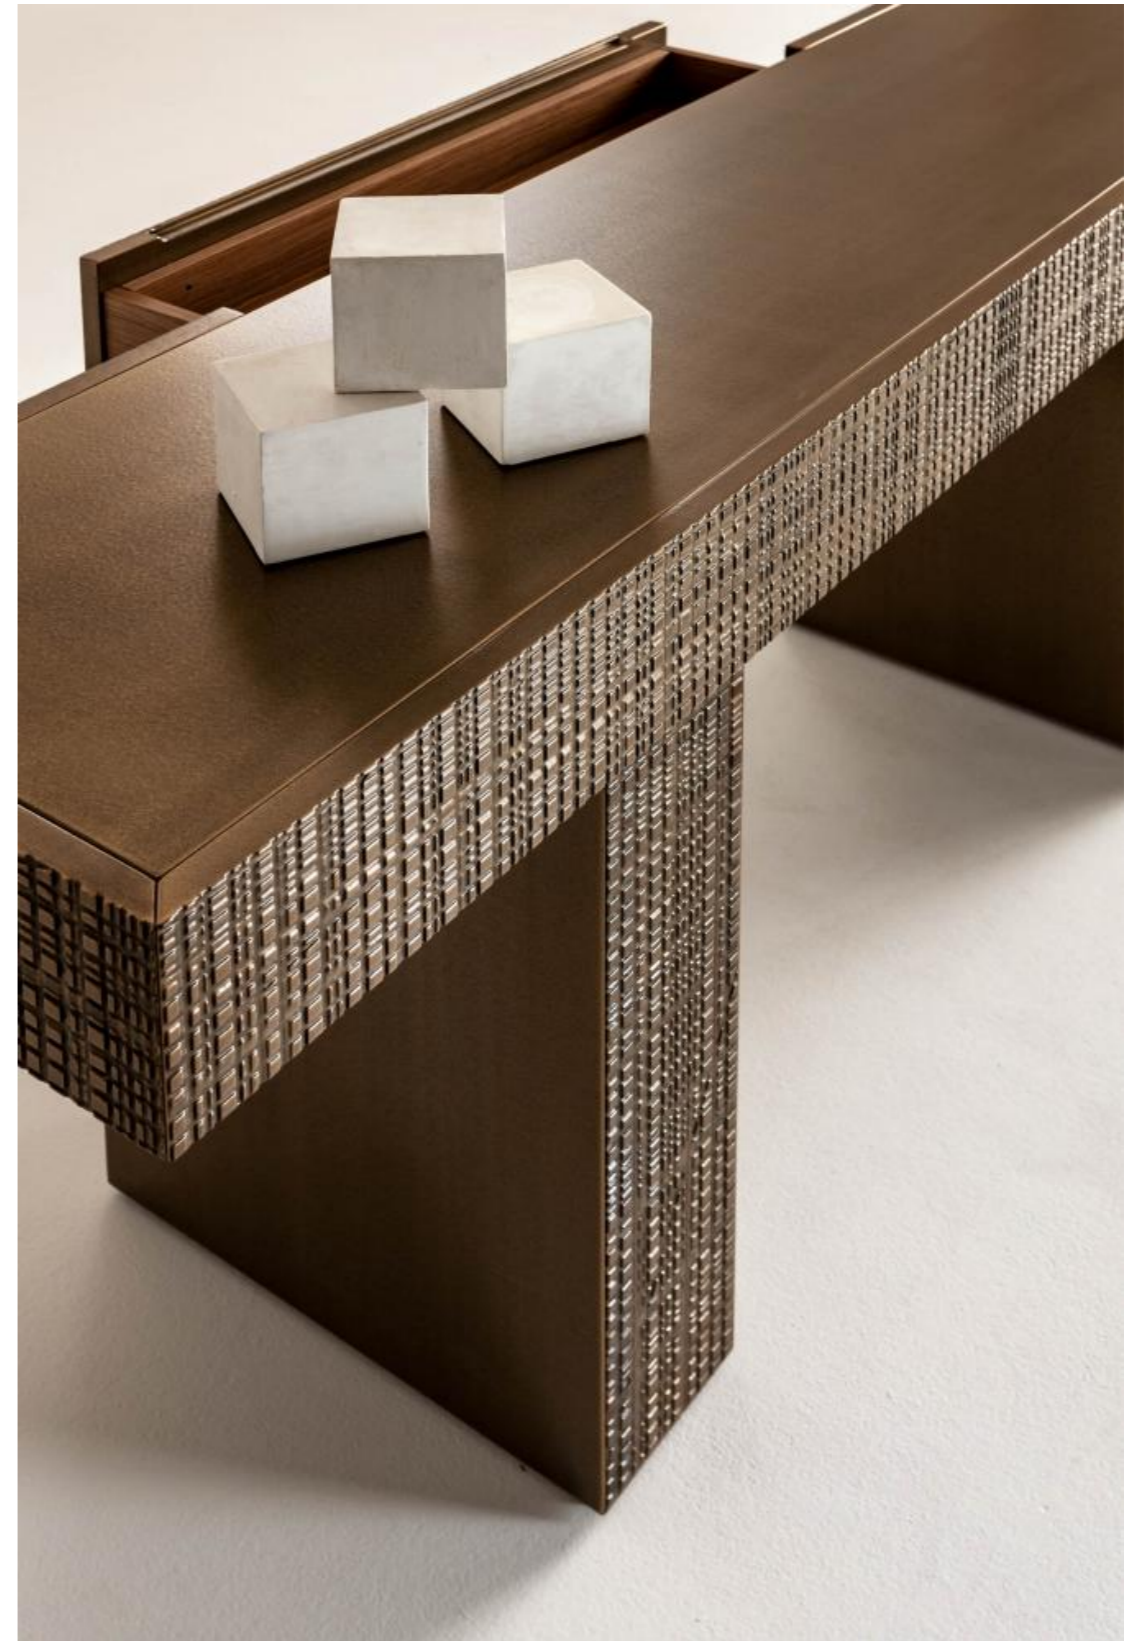

BD 38, which joined the Maxima collection in 2010, maintains the distinguishing surface. This console was born by the need to create a contemporary product, in line with latest trends in interior design, but characterized by a great attention to detail and materials, in order to offer an innovative solution in respect of Laurameroni traditional attention to quality.

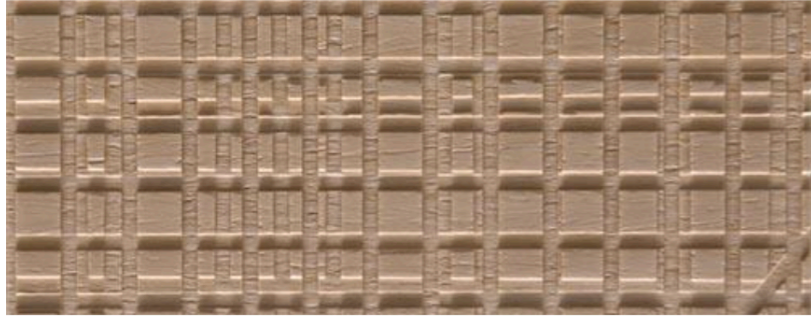

The simple geometrical lines lend strength and solidity to this product that, thanks to the surface treatment, creates an always different effect.
