MAXIMA BED

BD 22 is a minimal design bed, realized with a solid wood structure and padded headboard. The structure is available in different wood finishes, while the headboard can be padded in leather, velvet or fabric.

The richness of the BD 22 bed lies in the details and the refined materials that you can select to finish the headboard. Designed by Bartoli Design, BD 22 is part of the Maxima collection, an invitation to rediscover the purity and beauty of solid woods.

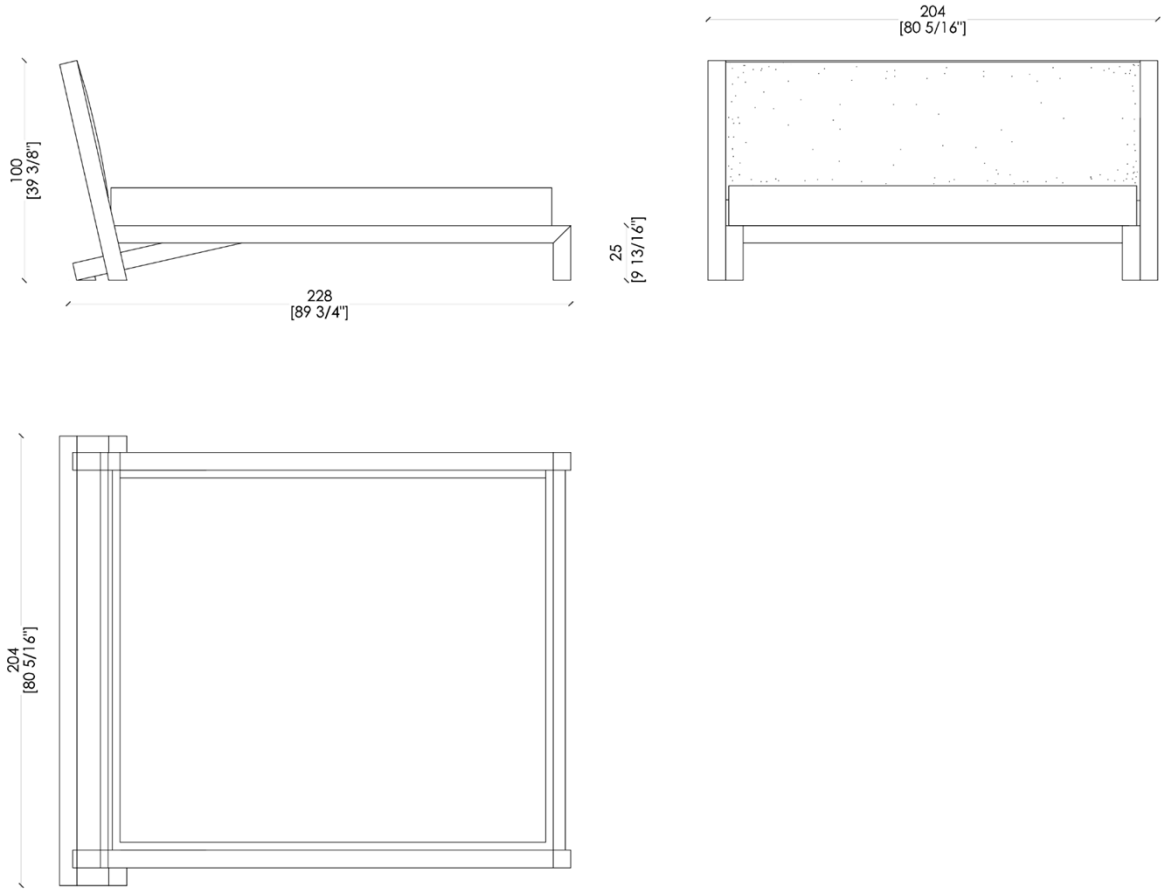

BD 22 is a modern minimalist design bed with a solid wooden structure and a wide upholstered headboard. Both headboard and structure can be customized with a wide range of finishes available.

BD 22 is part of the Maxima collection, a research by Bartoli Design into the use of materials and surfaces, tools to decorate the most luxurious but elegant houses.

By selecting between our range of fine velvets, natural precious leathers or special and custom fabrics you can dramatically change the look of this essential but rich in details bed.
