LUXURY DECOR AND BESPOKE SOLUTIONS

Quadro Move Collection

FO01 – Olive Ash Frame
VT04 – Luxor Glass

Glass door with aluminum profiles, proposed in different finishes for doors which seem light but functional.

The Quadro move collection is available with different sliding system to create the perfect solution for the space.

Different frame and handle finishes add style and functionality.

Door handles are functional accessories but also style details: ergonomic design help the sliding of panels. The modernity of the glass encounters the classic effect of ash vein, that covers handle and the elegance of door profile.
