Quadro Move Vitrum Collection

Doors that free and save space. Sliding systems define the environments depending on needs.

Functional and structural aspects appear as essential in order to give space to the transparency of the glass. The glass allows to show the beauty of spaces and divides them softly.

Vitrum line brings optimal solutions to enlighten home environments and to furnish rooms and modern offices. Many different sliding systems are available to achieve the best solution.

The variety of color solutions available for the glass gives the level of intimacy that we want to give to any space.

Vitrum Move Basic  
VS01 – Cyber Glass

Glass with neutral tone for modern mood. The door talks to the style of spaces, it is not only a structural element, but becomes a furnish piece looking for harmony. The grey glass adapt itself to a modern style, with minimal and essential look.

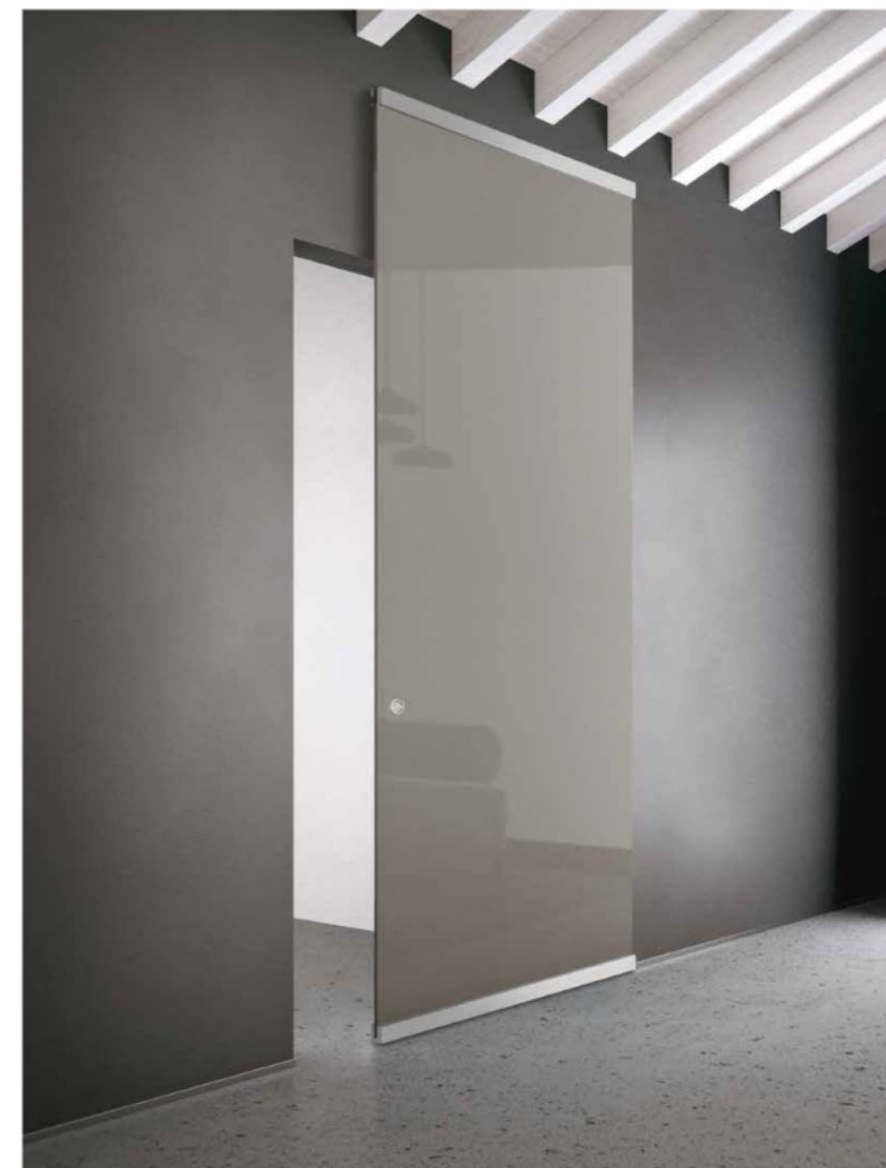

A neutral and elegant color that inserts itself without revealing what's inside near rooms, in order to give them privacy. The addition of lock mechanisms gives more functionality and safety to people.
