STARS COLLECTION CONSOLE

Low sideboard with four hinged doors and legs, fitted with two internal drawers. Side panels, doors and legs clad with metal. Inside and top in walnut "Colore". Available also with top clad in metal.

The low sideboard of Stars Collection is a luxury element of design which focuses the attention on the finest materials and their elegant combinations. The result is a sideboard in which the essentiality of the design is enhanced by the essence of the metals.

This sideboard in burnished brass is a unique example of our unique surface design, thanks to the sequences of metal rectangles creating always different effects.

The elegance of the metal combines with the preciousness of carefully selected woods.

Shown in burnished brass finish.

Shown in black iron "cerene" finish.

Clad with polished steel, Stars sideboard creates interesting play of lights and shades.

The sophisticated combination of a precious wood essence and the steel brightness turns this product into a unique piece.

Shown in burnished copper finish.
