WORK LIGHT MA 01

LAURAMERONI  
design . collection

## WORK LIGHT

The adjustable spotlight can be arranged to the wall and used also as a bedside lamp offering a functional lighting source.

Worklight is arranged for ceiling fastening to efficiently illuminate the room.

Spotlight in burnished brass arranged for ceiling or wall fastening. Available with halogen bulb or LED.

MA01 is a technical hand-made lamp in thick burnished brass to be used in environments where light is a fundamental element. Thanks to its design, this lamp illuminates the room without renouncing to a sophisticated atmosphere.

MA 01 is available with halogen bulb or LED with 24° or 40° beam angle.

This adjustable spotlight can be arranged for wall fastening, offering a functional lighting source.

This spotlight meets different needs, without renouncing to the uniqueness and high performances.

Thanks to an elegant and modern design, MA 01 is the ideal solution for both private and public spaces.

Individually or in combination with other spotlights, Worklight MA 01 creates a welcoming atmosphere.
