BD51 SIDEBOARD- MAXIMA COLLECTION

LAURAMERONI
design . collection

BD 51 is a luxury sideboard with Maxima sculpted surface, in Liquid Metal or bronze. It is internally equipped with two fully removable drawers and is available with hinged or flap doors.

A luxury sideboard respecting Laurameroni philosophy in the attention to detail and the most innovative surface processing. With Maxima sculpting, the simplest and most linear forms are transformed into works of skilled artistic craftsmanship.

The use of the "Liquid Metal" finish conveys the beauty of a perfect balance between tradition and innovation.

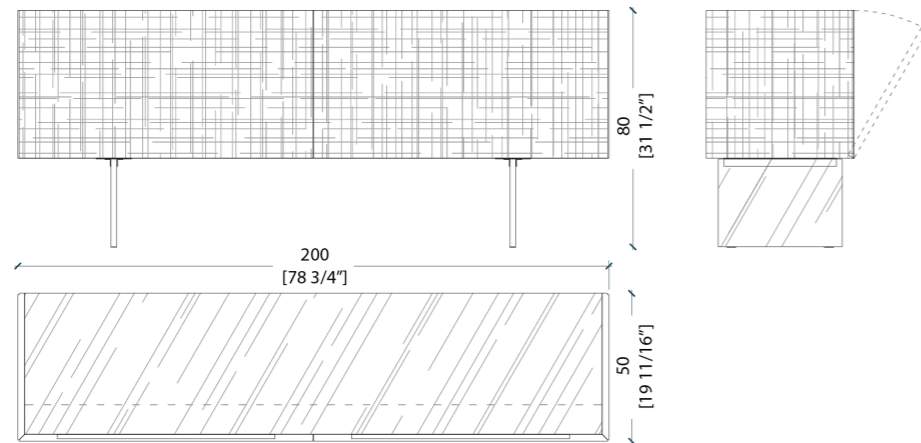

The seductive harmony between the sculpted surface and the luminous top shows our meticulous attention to the smallest details.

BD 51 is internally equipped with two fully removable drawers and is available with hinged or flap doors.

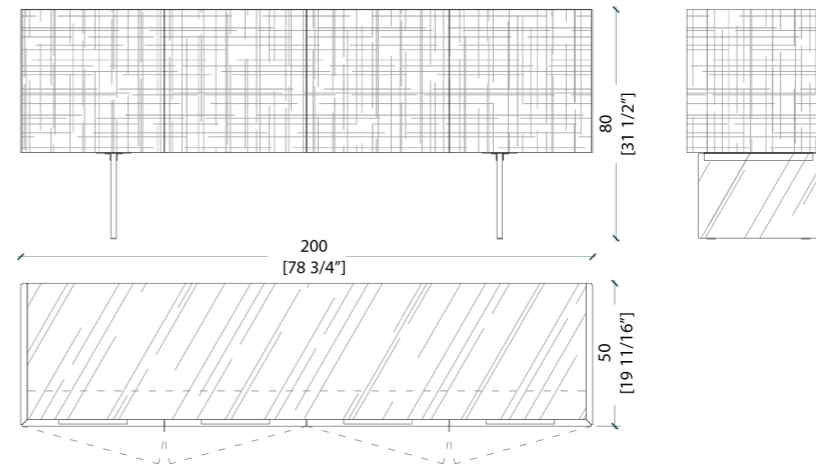

Laurameroni brand is a guarantee of luxury, uniqueness, differentiation and beauty. BD 51, thanks to the particular "Liquid Metal" finish and its unique reflections, makes any private or public space unique, giving class and character.
