MAXIMA COLLECTION BD11 and 33

LAURAMERONI  
design . collection

Wooden sideboard with carved doors and sides. Internal structure divided in two parts equipped with two internal drawers that can be completely pulled out and two shelves.

This sideboard can be made in all the sample book woods and in special dimensions. It is available with hinged doors or flap doors and raised on wooden legs or hanging.

One of the masterpieces of Maxima collection, this sideboard respects Laurameroni philosophy and care for details, especially in the surface decoration, turning the most linear and simple shapes into works of artistic skillful craftsmanship.

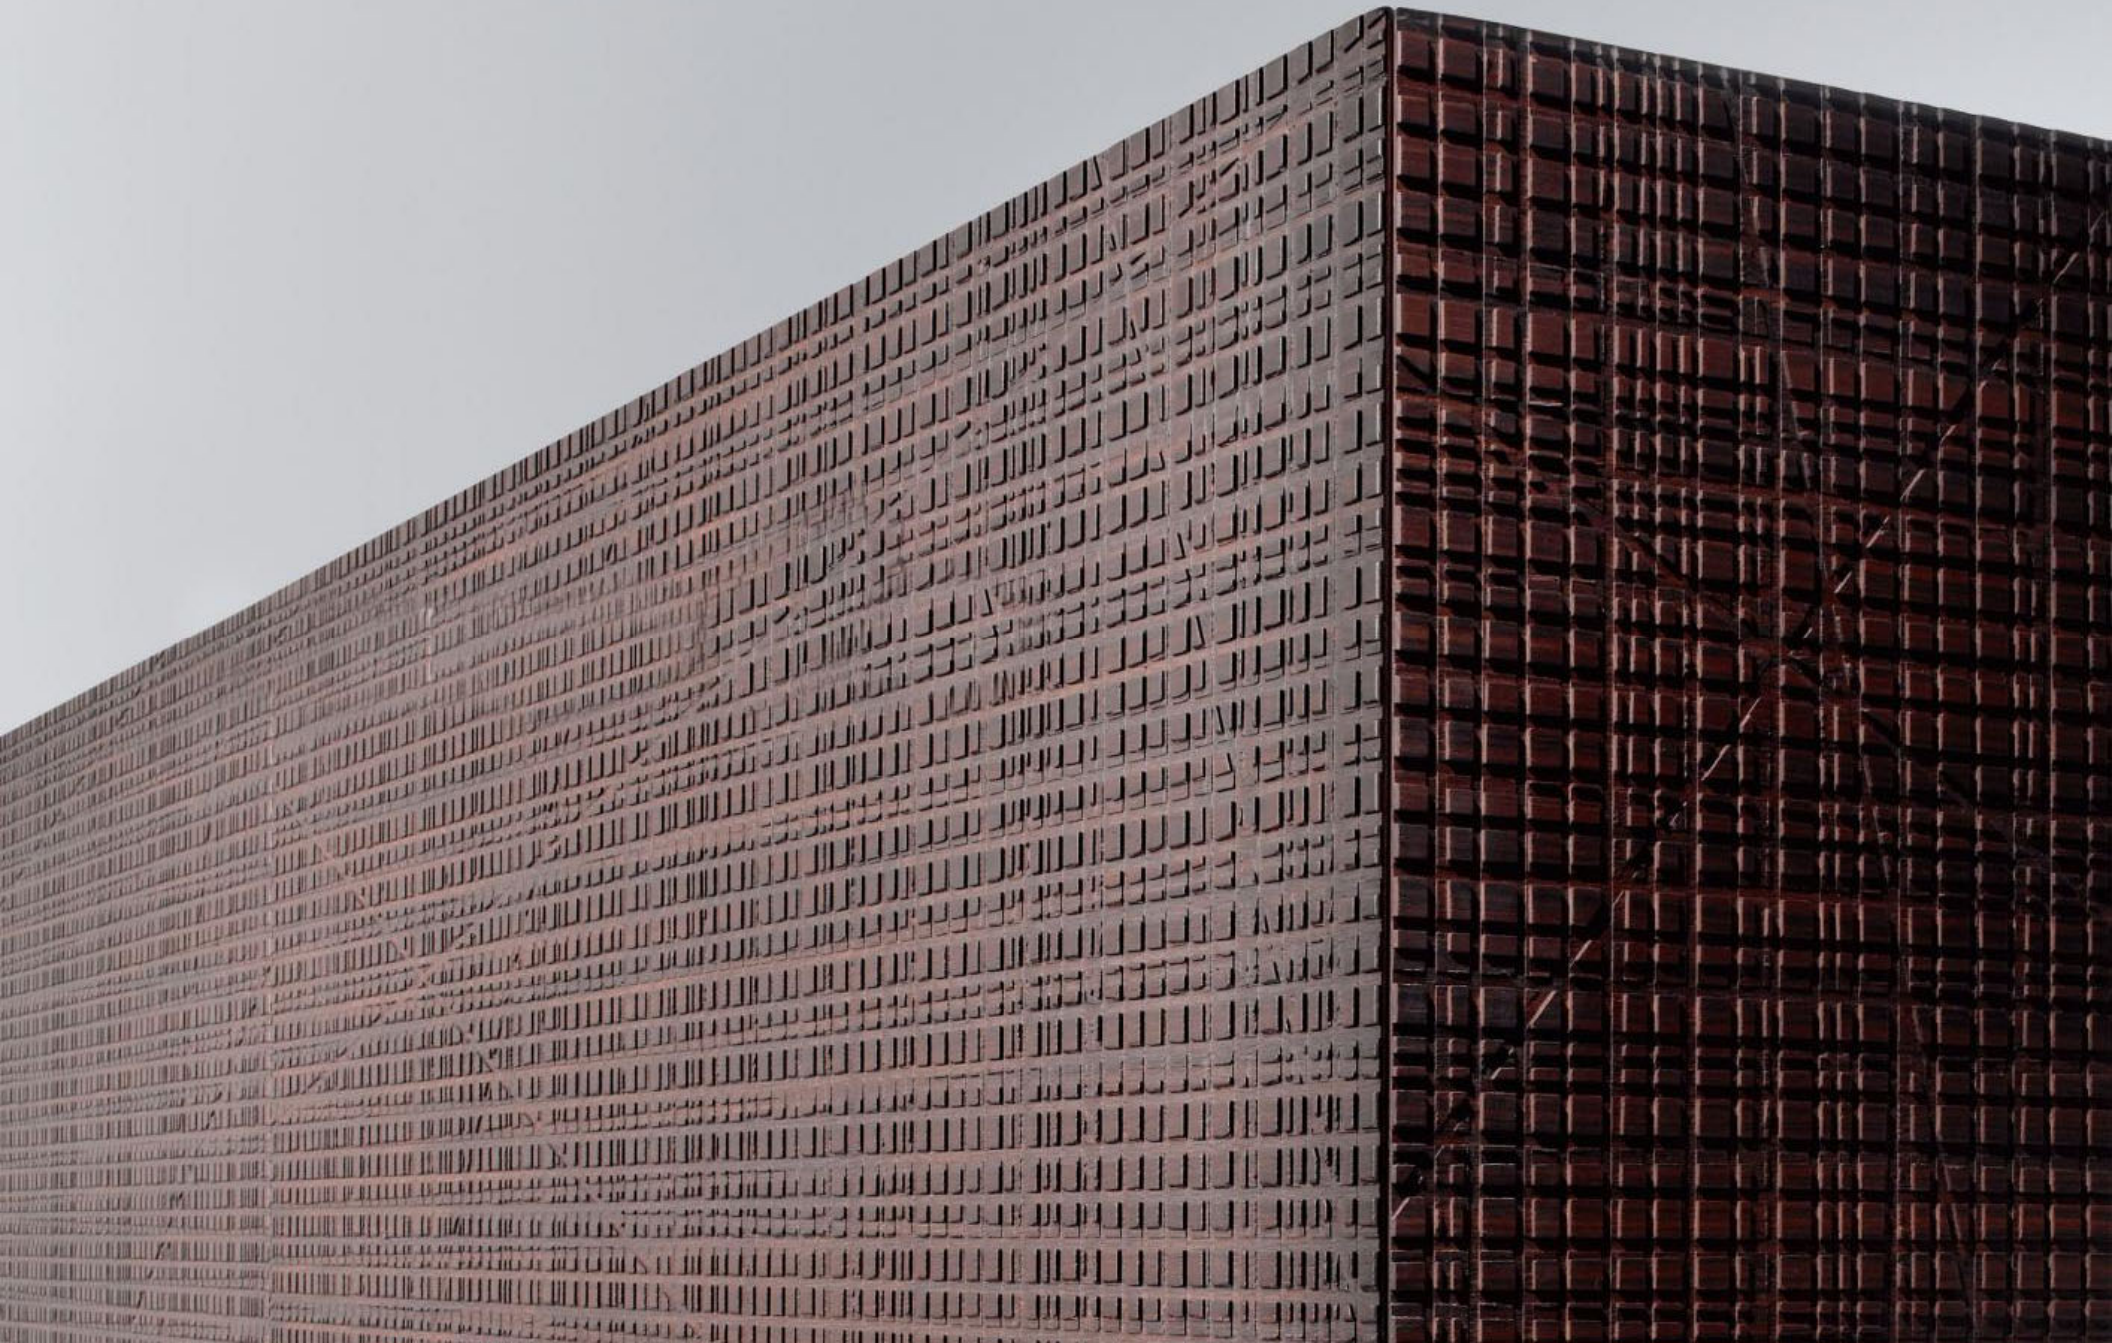

The distinguishing element is the special carving of the doors and sides, which makes each piece unique and unrepeatable.

BD 11, available in all woods of the collection and in special dimensions, adapts to many different special and functional requirements.

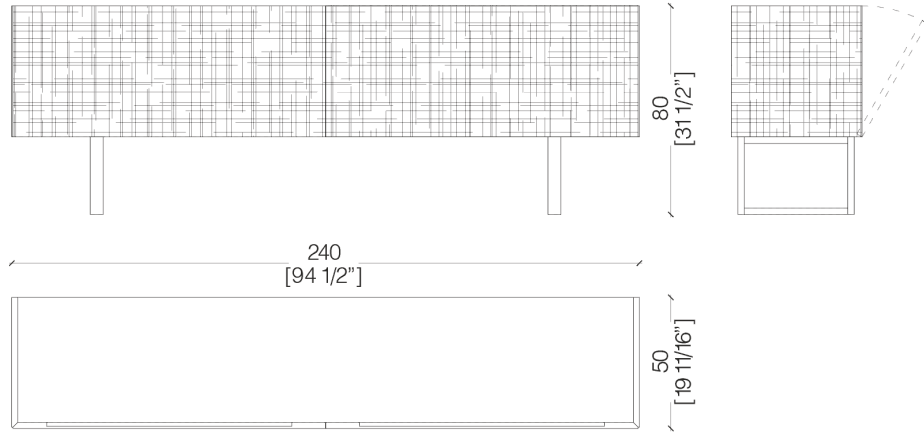

The sideboard is available also in the hanging version with flap doors and it is fitted with two internal drawers.

A rigorous geometry characterizes BD 11, that can be fitted with 4 hinged doors to meet the needs and taste of any client.
