LAURAMERONI  
design . collection

Designed by Leone and Mazzari is a set of minimal-style but elegant tables which can be made in all the sample book woods and in all RAL colours and also in special dimensions. The peculiarity of this product is the thickness of the legs which matches the top in both the round and rectangular versions.

ML 51 has a rotating plate which offers a dynamic and extremely innovative solution. The minimal and regular design of the table is interrupted by the choice of using three legs, introducing an innovative and original element of differentiation.

ML 51 is a round wooden table supported by three legs: a product which is immediately recognizable.

This table can be fitted with a rotating top (Lazy Susan) to offer a flexible solution for sharing moments.

The choice of finest wood essences combines with the sophisticated yet essential design.

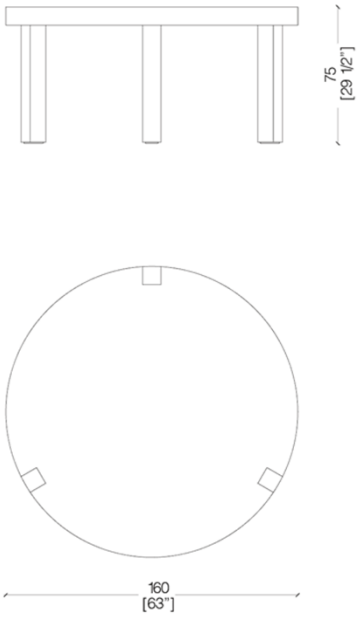

ML 51 is also available brushed matt lacquered in all RAL colors to adapt to any interior design project.

ML 52 is a rectangular table characterized by a minimal design where simple lines prevail for those who prefer rigor.

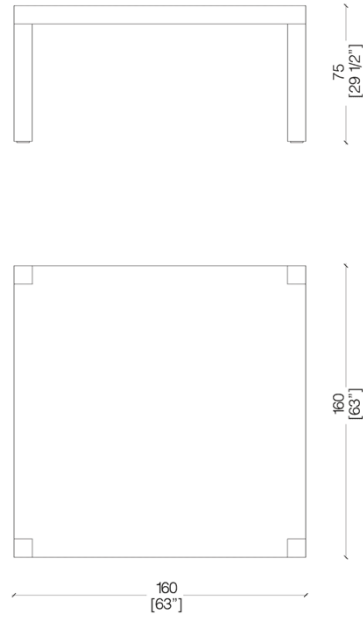

The solidity of wood characterizes ML 52, which is also available in the brushed matt lacquered version in all RAL colors.

Perfect for elegant interiors, ML 51 stands out for the timeless style that immediately conveys a we
