WORDS HINGED DOOR

LAURAMERONI
design . collection

The key feature of this door is the Graffiti Collection door frame which, thanks to its dimensions, characterizes the door in a unique and immediately recognizable way.

This door is available with the following decorations: “Dreams”, “Living”, “Cook”, “Bath” and “Studio”, to identify each space in a sophisticated way. A perfect solution for both public and residential environments.

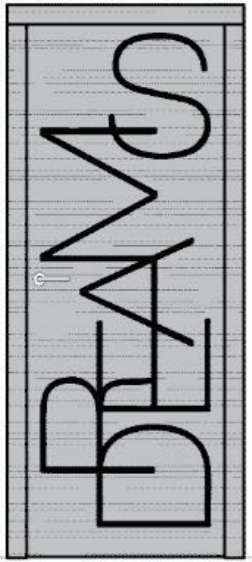

Wood veneered hinged door with horizontal grain and wood veneered door frame, featuring the same decorative carving on both sides.

The panel and the decoration can be made either in the same wood or different ones. It is available in all woods of the collection and the single leaf or symmetrical double-leaf models.
