FEEL TABLE

LAURAMERONI  
design . collection

Table with ultra-thin top, with modules in marble and in smooth or lacquered wood, supported by a peculiar single or double trestle base in solid wood.

The top is available in all the woods of the collection, glossy lacquered in all RAL colours or in marble. The legs are customizable in stained wood, natural wood or lacquered with metallic paint.

The geometric base of this table perfectly fits with the light, minimal and essential line of the ultra-thin top. Great attention is paid to the study of the base, the visual balance and the union between the different materials.

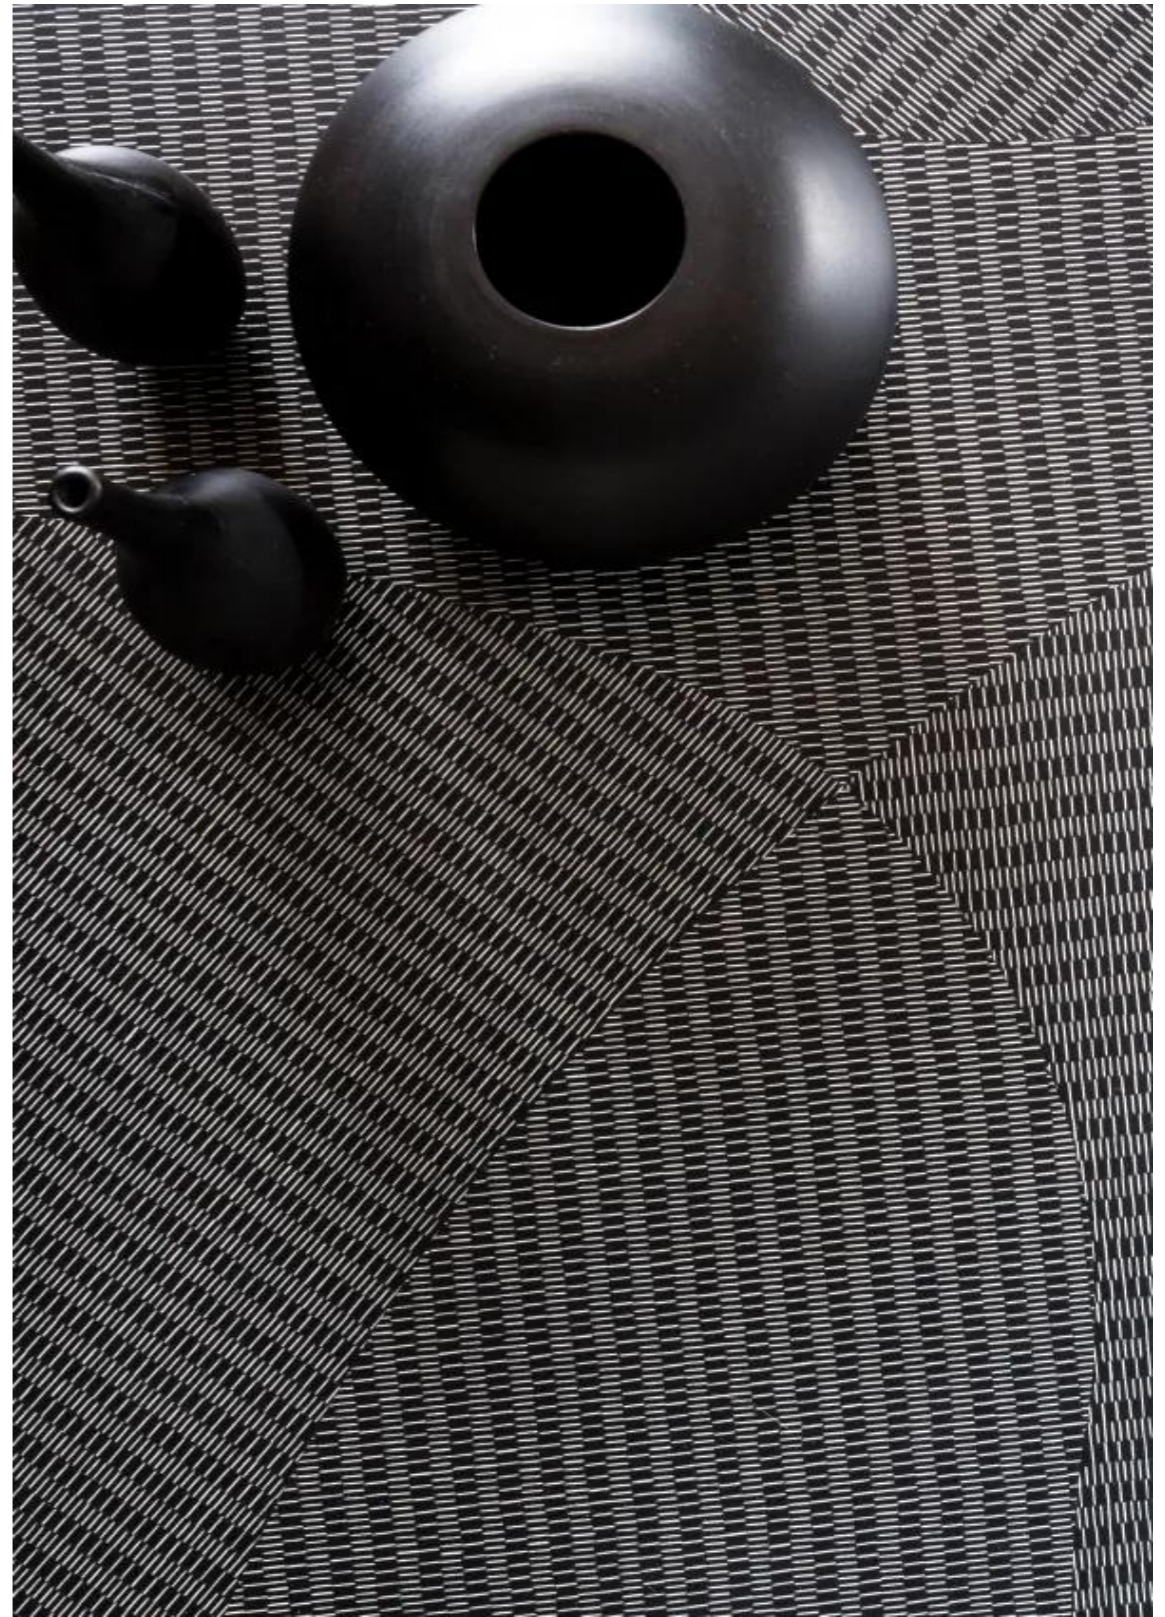

Feel is available in the round or rectangular version.

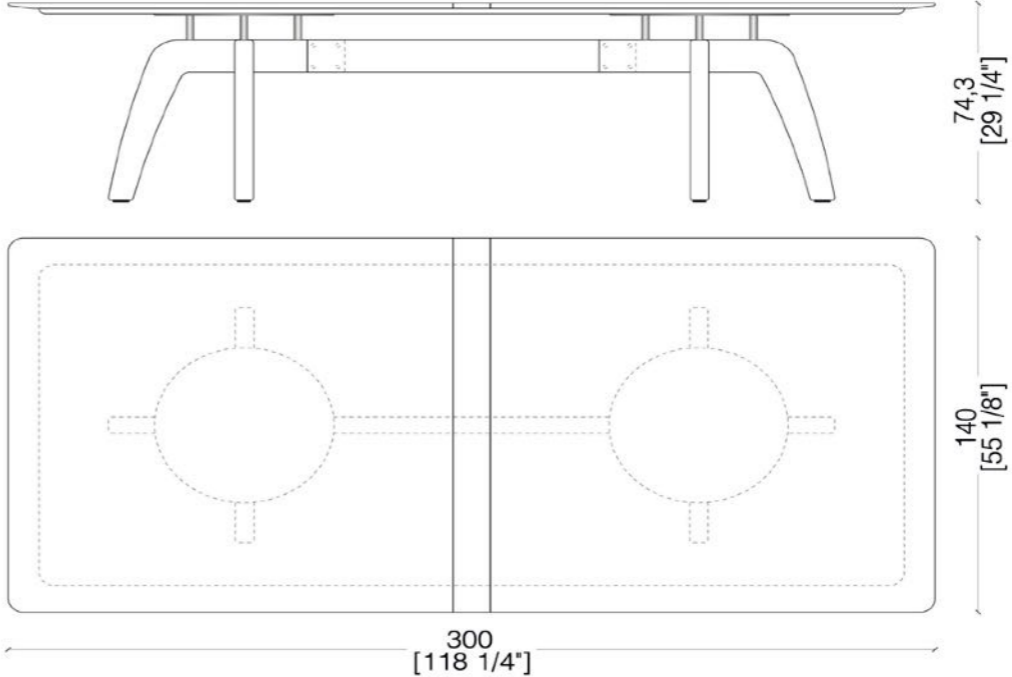

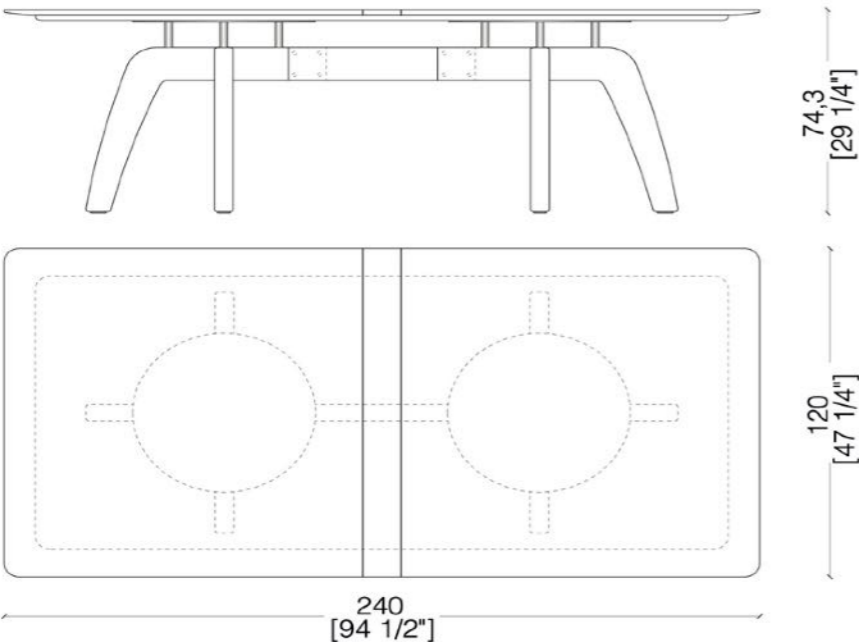

Example: Feel table in the rectangular version with stained ash wooden legs and glossy "Oyster White" marble top with wooden insert
