BAMBOO LOUNGE

LAURAMERONI
design . collection

Entirely lacquered sideboard, defined on the four sides by sequences of decorative channels and elliptical bars customizable in size and finish.

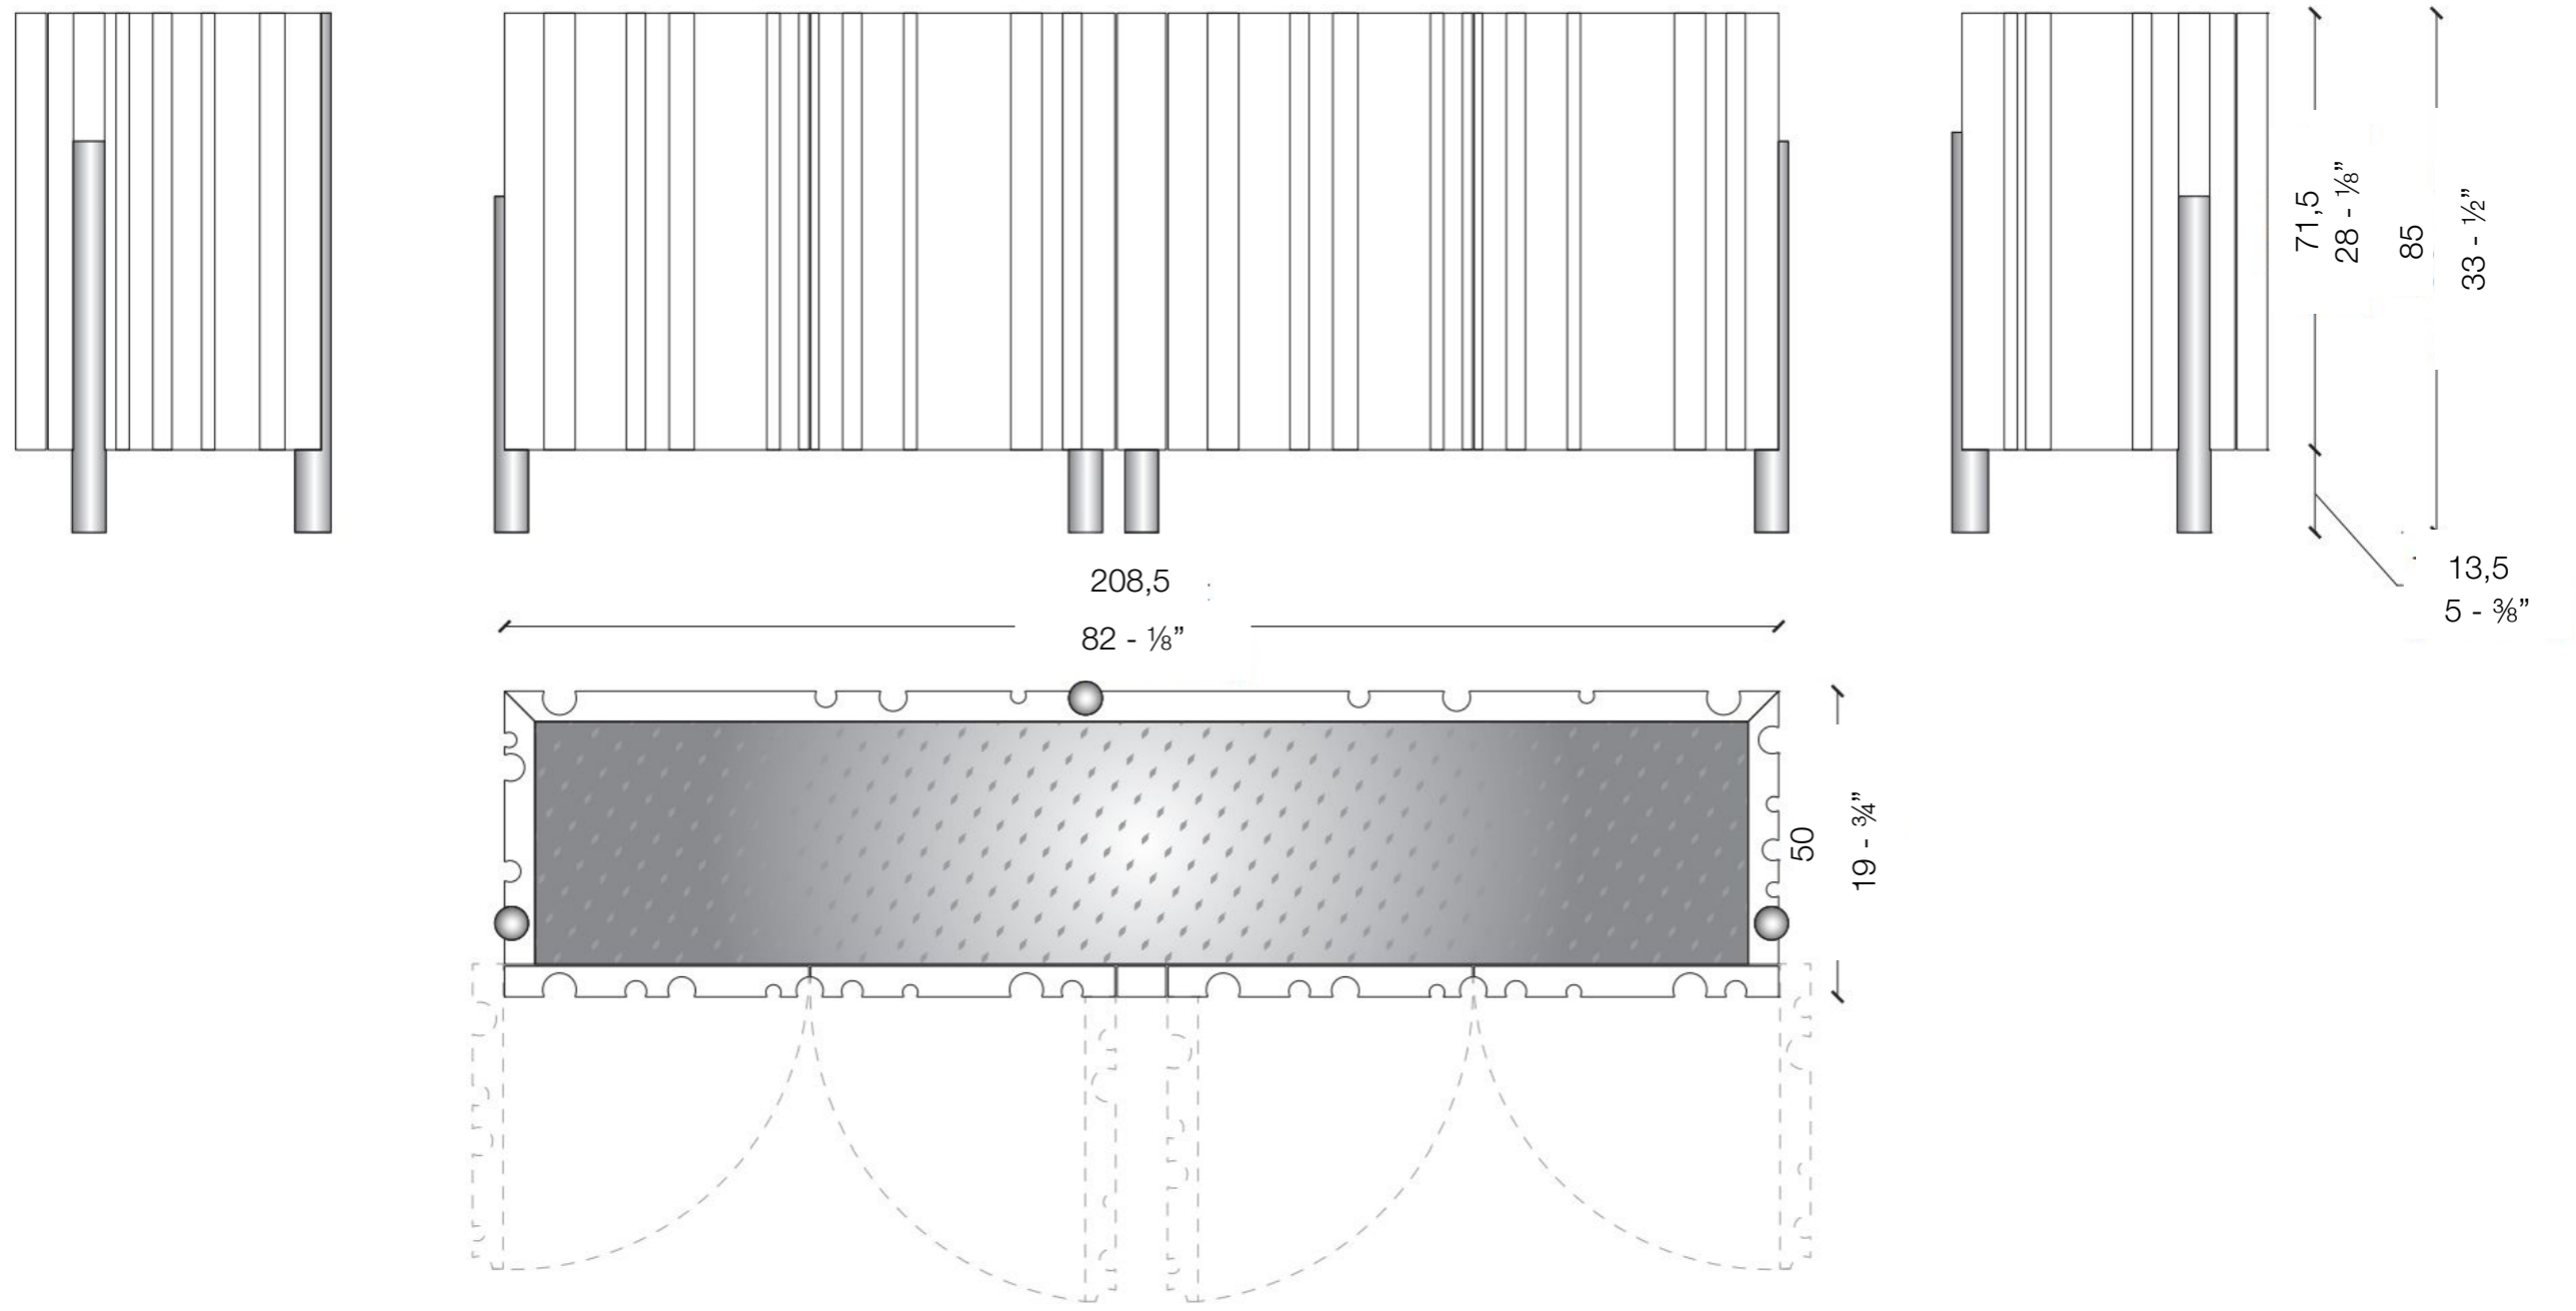

Back-painted glass top and elliptical legs inserted into the channels. Available with or without decorative bars.

The Bamboo collection is characterized by a series of channels of different sizes crossing the surface of the panel, and creating a design that is always different and highly personalized.

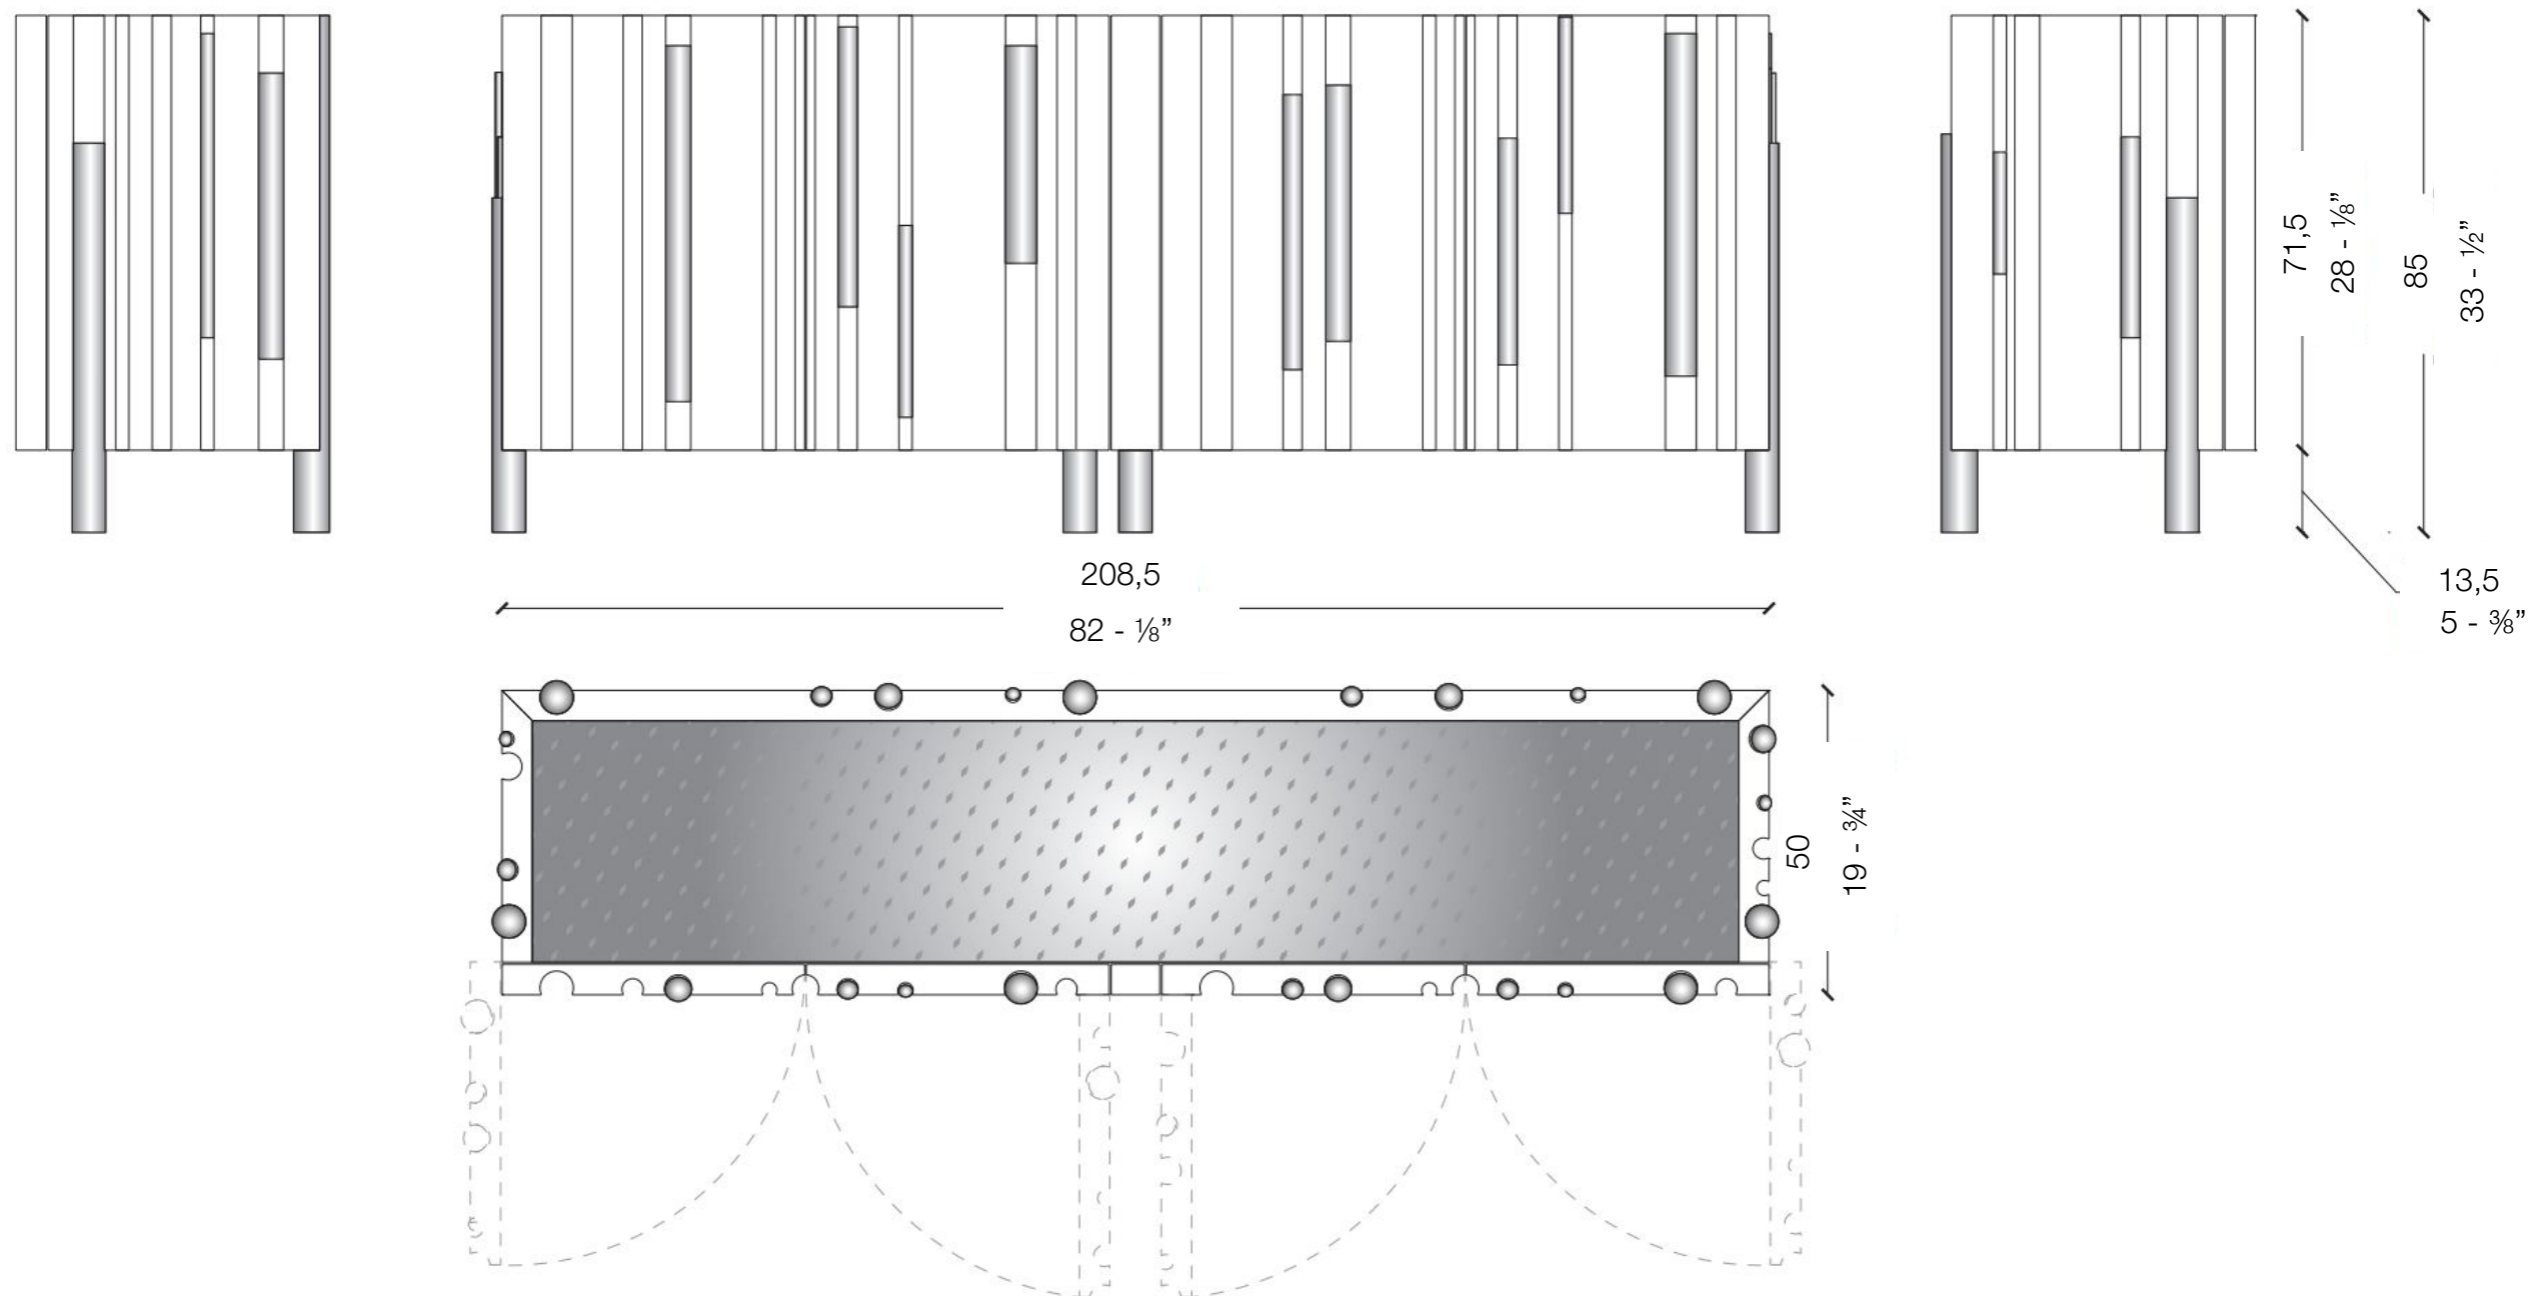

Bamboo is like a white table allowing every professional to experiment and create their own design with maximum compositional freedom.
