FRAME WALL PANELS

LAURAMERONI
design . collection

The Frame collection revisits classic frame wall panels by exploiting their modular and technical qualities and modernizing their design.

The result is modules of customizable dimensions perfect for accommodating all the finishes of the Laurameroni collection.

Frame panels are available in all the finishes and textures of the Laurameroni collection

The Panels and Frames can be combined and applied with various finishes.

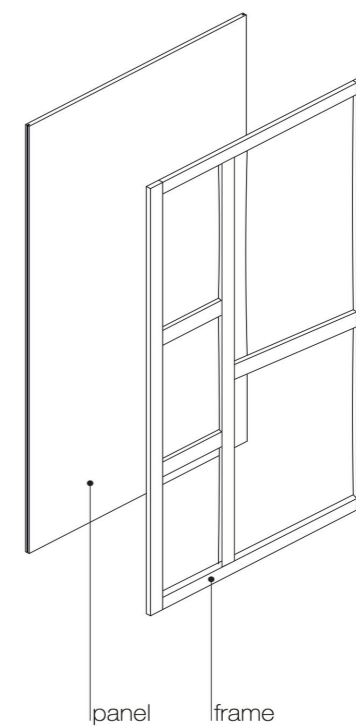

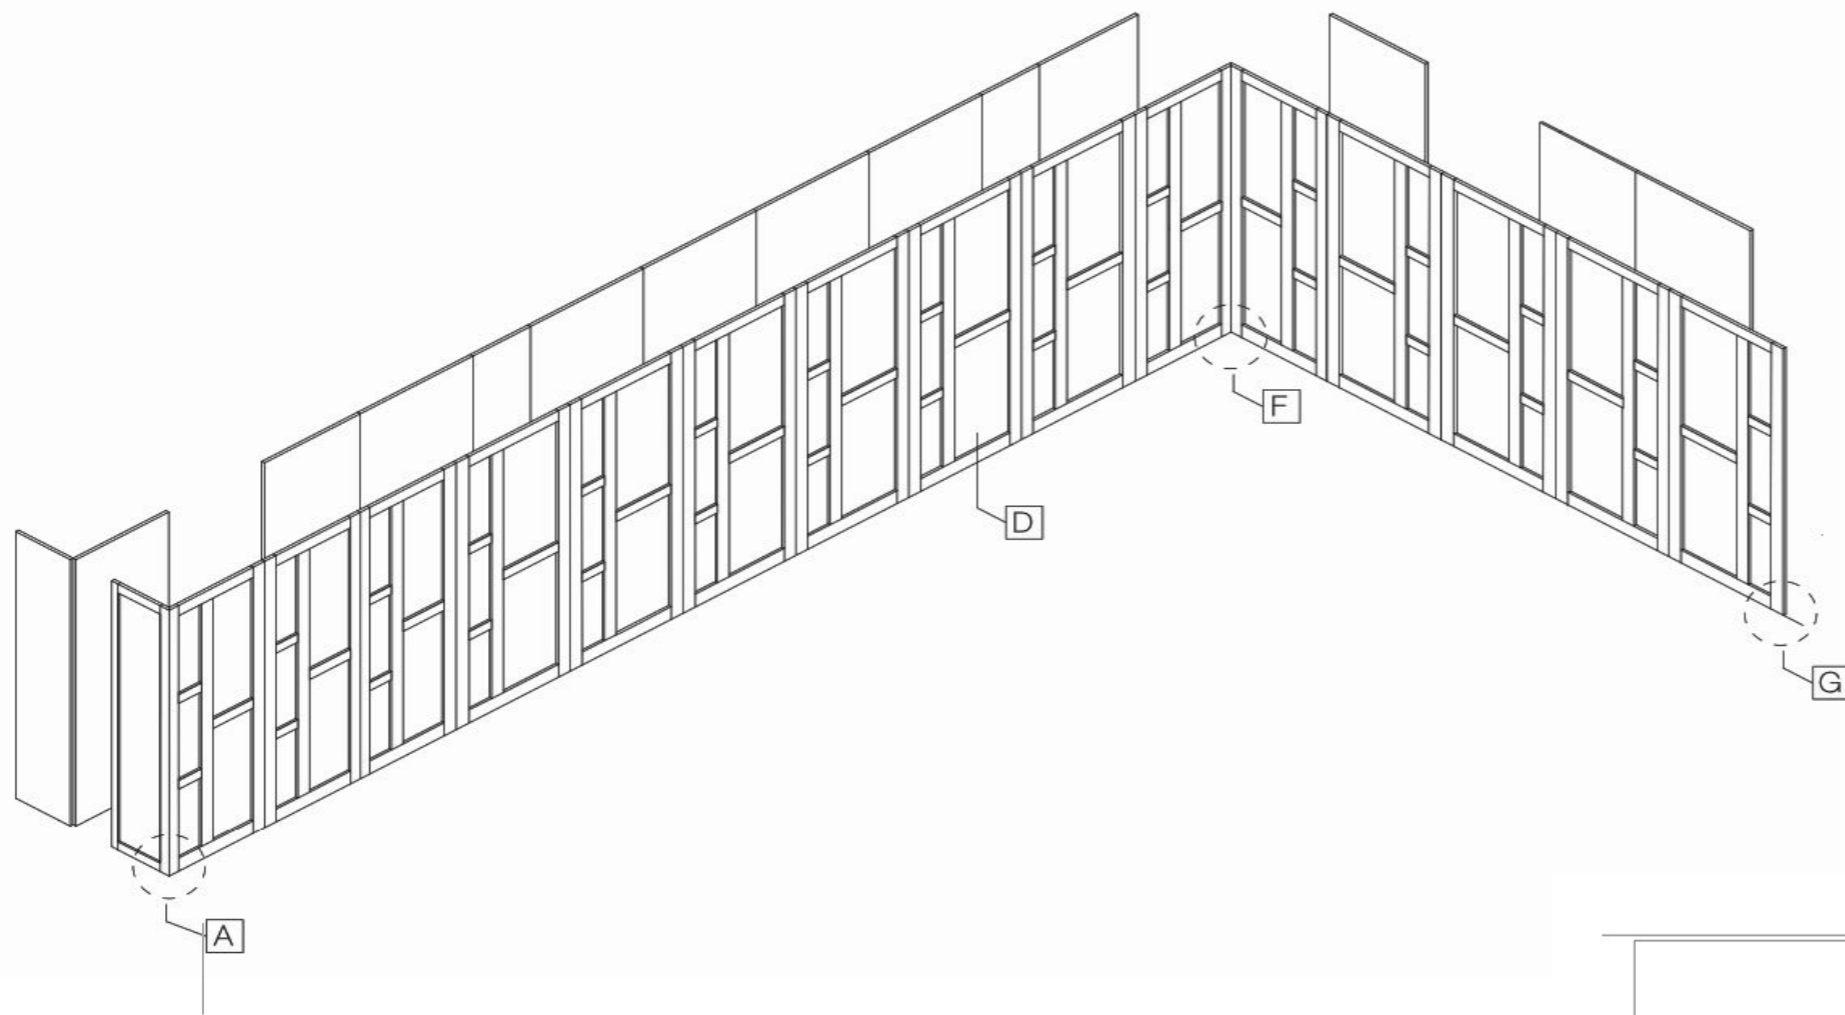

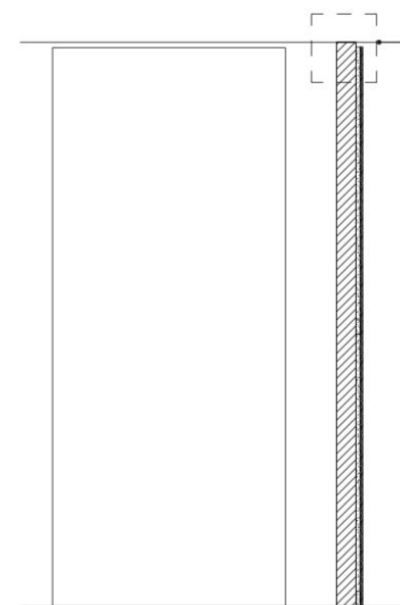

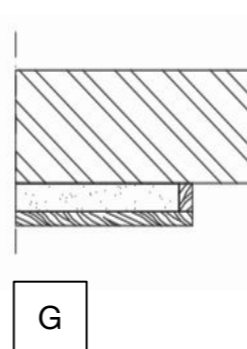

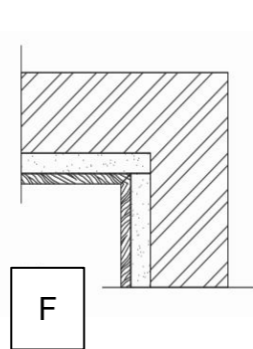

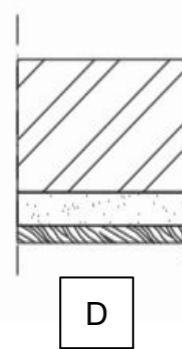

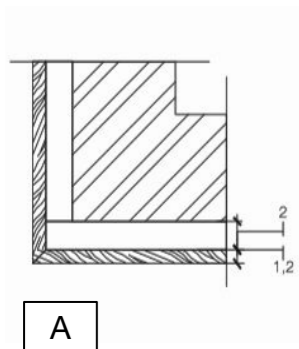

Frame Collection in Space finish above and Juta Finish to the left
